INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Catholic Foundation for the People of the Diocese of Bismarck
Bismarck, North Dakota

We have audited the accompanying financial statements of Catholic Foundation for the People of the Diocese of Bismarck (a nonprofit organization), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

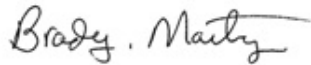

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Catholic Foundation for the People of the Diocese of Bismarck as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

CATHOLIC FOUNDATION FOR THE PEOPLE OF THE DIOCESE OF BISMARCK
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2015 AND 2014

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Catholic Foundation for the People of the Diocese of Bismarck (the Foundation) was incorporated January 1, 2004 as the Provision for the Future. The Foundation restated its articles of incorporation as the Catholic Foundation for the People of the Diocese of Bismarck effective July 1, 2013. The purpose of the Foundation is to receive and administer funds to be used for Roman Catholic charitable purposes.

Financial statement presentation

Financial statement presentation follows the recommendations of the Accounting Standards Codification Topic 958, Accounting for Not-for-Profit Entities. The codification requires the Foundation to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

The Foundation has unrestricted, temporarily restricted, and permanently restricted net assets.

Method of accounting and revenue recognition

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America, ("GAAP"), as codified by the Financial Accounting Standards Board. As a result, the Foundation recognizes revenue in the period earned.

Funds Held for Others

Elmer Rapp Fund – This trust fund was established by a gift from Elmer Rapp. The annual income may be used to provide post-secondary education to Hidatsa, Arikara, or Mandan Indian students who have graduated from high schools in the surrounding areas with preference for the Fort Berthold Reservation high schools.

Other Agency Funds – These funds represent deposits from various entities throughout the Diocese of Bismarck to be held by the Foundation for a period of five years or longer. This fund affords the opportunity to pool funds in a balanced portfolio with a proportionate share of valuation increases and decreases of investment activity net of associated expenses. The account holder of the individual agency fund maintains full control of the disposition of the principal and earnings, however early withdrawal penalties may apply on principal withdrawals within the five year holding period. Individual funds currently held include: Bishop Ryan Catholic School Mission Trip Scholarship Fund, Diocese of Bismarck Agency Fund, Home on the Range Agency Funds and various Parish Agency Funds.

Temporarily Restricted Net Assets

Kathleen Brady Trust Fund – This trust was established by a gift from Sister Kathleen Brady. The annual income is to be used to provide subsidies to Catholic Schools in the Diocese.

Catholic Relief Fund – This fund was established in September 2003 through a bequest to the Diocese of Bismarck. The Last Will and Testament required that the funds be distributed to charity. The Last Will and Testament further states that the Bishop of the Roman Catholic Diocese of Bismarck is the trustee and has the discretion to utilize the principal of the fund for catholic relief services for which the trust was established.

Seminarian Scholarship Major Fund – These net assets consist of contributions for seminarian scholarships.

East Africa Mission Fund – These net assets consist of contributions for the East African Mission.

Hacker Trust Fund – This fund, established by a gift from Bishop Hacker, provides that the annual earnings be paid to Christ the King School, Mandan, North Dakota so long as it is maintained as an eight-grade elementary school. If it should cease to operate as such, the fund is to be paid over to the Diocese of Bismarck.

John Kuhn Trust Fund – This trust fund was established by a gift from Reverend John Kuhn. The annual income is to be paid to Christ the King School, Mandan, North Dakota for its operation. If the school ceases to operate as a parish school, the remainder of the trust shall be distributed to the Diocese of Bismarck and the trust terminated.

Various Endowment Fund Earnings Funds – Undistributed earnings realized from various endowment funds are individually held in Temporarily Restricted Assets. Net earnings on Endowments principals held under Permanently Restricted Assets are individually tracked through these funds and released for distribution to unrestricted net assets in accord with the distribution agreements of the Endowed Funds. Additionally, these Temporarily Restricted Funds will accept contributions from individuals and entities.

Permanently Restricted Net Assets

The Catholic Foundation for the People of the Diocese of Bismarck has expanded its presence in the area with an added emphasis to further establish qualified endowment funds for future benefit of the entities of the Diocese of Bismarck. The principal amounts of each endowment fund are held in perpetuity with established guidelines distribution of net annual earnings.

Each parish, school and other entity under the jurisdiction of the Diocese of Bismarck has an established endowment fund for the benefit of the entity's operation. Additionally, previously established endowment funds such as Catholic Schools and Religious Education Fund, Priests' Care Fund, and Seminarian Scholarship Fund (previously held for the benefit of diocesan seminarians in the major seminaries) continue to exist. The previously held Seminarian Scholarship Fund has been renamed Seminarian Scholarship-Major Fund with the establishment of the Seminarian Scholarship-Minor Fund.

Currently held endowment funds include: Bishop Zipfel Endowment Fund which provides benefit for seminarian scholarships for major seminaries and priests' care; Catholic Schools and Religious Educations Fund which provides assistance for religious education in the Diocese' catholic schools and parish religious education programs; Home on the Range Endowment Funds which provide benefits for the operational needs of Home on the Range; Light of Christ Catholic Schools of Excellence Endowment Fund which provides operational support for the

entity; Priests' Care Endowment Fund which provides support for the care of the retired priests of the Diocese; Seminarian Scholarship-Major fund which benefits our seminarians in major seminary; Seminarian Scholarship-Minor which provides scholarships available to seminarians in minor seminaries; various parish endowment funds with established benefit guidelines for each endowment; various family named endowments with established benefit guidelines for each endowment.

The Foundation takes advantage of matching grant programs to grow the endowment funds as well as hosting various fundraising events. Each of the endowed funds accepts funds from individuals and entities.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions.

Permanently restricted net assets are to be held in perpetuity in accordance with the donor's restrictions. Earnings from the investment of these net assets are recorded as temporarily restricted net assets in accordance with the donor's restrictions as to use and in accordance with accounting principles generally accepted in the United States of America.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the Statement of Financial Position. Unrealized gains and losses are included in the change in net assets.

The Foundation recognizes gains and losses on an investment in the designation or restriction owning the investment using the historical cost for that specific investment. Ordinary income from an investment is recorded in the designation or restriction owning the investment.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents

Cash and cash equivalents include highly liquid investments with an original maturity of three months or less, excluding assets whose use is limited or restricted.

Receivables and Allowance for Uncollectible Receivables

Accounts receivables are uncollateralized obligations due under normal trade terms requiring payment within 30 days from the invoice date. The receivables are non-interest bearing. Payments on accounts receivables are applied to the earliest unpaid amounts. The carrying amount of the accounts receivables is reduced by an amount that reflects management's best estimate of the amounts that will not be collected.

The allowance for doubtful accounts is established as losses are estimated to have occurred through a provision for bad debts charged to earnings. Bad debts are charged against the allowance when management believes the uncollectibility of an accounts receivable is confirmed. Subsequent recoveries, if any, are credited to the allowance.

The allowance for doubtful accounts is evaluated on a regular basis by management and is based upon management's periodic review of the collectability of the accounts receivable in light of historical experience, the nature and volume of the portfolio, adverse situations that may affect the borrower's ability to repay, estimated value of any underlying collateral and prevailing economic conditions. This evaluation is inherently subjective, as it requires estimates that are susceptible to significant revision as more information becomes available.

An accounts receivable is considered impaired when, based on current information and events, it is probable that the Foundation will be unable to collect the scheduled payments of principal when due according to the contractual terms of the pledge agreement. Factors considered by management in determining impairment include payment status, and the probability of collecting scheduled principal payments when due. Accounts receivable that experience insignificant payment delays and payment shortfalls generally are not classified as impaired. Management determines the significance of payment delays and payment shortfalls on a case-by-case basis, taking into consideration all of the circumstances surrounding the accounts receivable and the prior payment record, and the amount of the shortfall in relation to the principal owed.

Annuities Receivable

This is the amount of charitable gift annuities receivable held on behalf of another organization to be paid out to the Foundation as of June 30, 2015 and 2014.

Fair Value Measurements

The Foundation follows Accounting Standards Codification Topic 820, Fair Value Measurements. This standard applies to all assets and liabilities that are being measured and reported on a fair value basis. It defines fair value, establishes a framework for measuring fair value in accordance with generally accepted accounting principles and expands disclosure about fair value measurements.

CATHOLIC FOUNDATION FOR THE PEOPLE OF THE DIOCESE OF BISMARCK
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2015 AND 2014

When fair value measurements are required, various data is used in determining those values. This statement requires that assets and liabilities that are carried at fair value must be classified and disclosed in the following levels based on the nature of the data used.

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

The application of valuation techniques applied to similar assets and liabilities has been consistently applied. The following is a description of the valuation methodologies used for instruments measured at fair value:

Investments

The fair value of investments is the market value based on quoted market prices, when available, or market prices provided by recognized broker dealers. If listed prices or quotes are not available, fair value is based upon externally developed models that use unobservable inputs due to the limited market activity of the instrument.

Income Taxes

The Foundation is exempt from federal income tax under provisions of Section 501(c)(3) of the Internal Revenue Code. The Foundation is deemed to be a church related organization and as such is not required to file an annual informational tax return to the Internal Revenue Service.

The Foundation's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence.

Reclassifications

Certain reclassifications have been made to the prior year financial statements in order for them to conform to the current year presentation.

NOTE 2 CONCENTRATIONS OF CREDIT RISK

The Foundation's cash balances are maintained in various bank deposit accounts. Periodically, the Foundation has deposits that are in excess of federally insured limits on a temporary basis. As of June 30, 2015 the cash balance is \$209,600, which is below the FDIC coverage of \$250,000.

Accounts/Pledges receivable as of June 30, 2015 and 2014 are due from Catholic parishes and associated individuals located in western North Dakota.

NOTE 6 INCOME TAXES

It is the opinion of management that the Foundation has no significant uncertain tax positions that would be subject to change upon examination.

NOTE 7 ENDOWMENT FUNDS

Donor-designated:

The Foundation's endowments consist of 72 individual funds established for a variety of purposes. Its endowments include donor-restricted funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Foundation has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the

CATHOLIC FOUNDATION FOR THE PEOPLE OF THE DIOCESE OF BISMARCK
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2015 AND 2014

duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation, and (7) the Foundation's investment policies.

Investment Return Objectives, Risk Parameters and Strategies:

The Foundation has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return.

Spending Policy: The Foundation does not have a spending policy.
